

Dear Parents and Families,

We hope this letter finds you and your family doing well during this holiday season. It is a very busy time of year, and especially busy here at Harbor Pediatrics. We are excited to announce that after almost 30 years at Dover Drive, Harbor Pediatrics will be moving to a new location on January 1, 2026!

**Our new location will be just over a mile from our current location at:**

UCI Health Center/Western Medical Plaza  
1640 Newport Blvd, Suite 340  
Costa Mesa 92627

Our office phone number will continue to be (949) 645-4670, and our web page will remain [harborpediatrics.com](http://harborpediatrics.com)

Regretfully, the current office building at 601 Dover has been sold, and all of the existing tenants have been given notice to vacate. The new owners are planning to construct residential units and our current office will be demolished. We searched extensively for a space that not only remained nearby to our families but also provided features that would be of benefit. We think we have found a new space and are excited for the new setting.

We are pleased first and foremost that our new location remains close to our families. The new space is about 5 minutes away and can be accessed by Newport Blvd and/or Orange Blvd. Additionally the new space is new, fresh and well designed. Although nothing can beat the fabulous parking at Dover, there is ample parking, including a covered parking structure at no cost to our families at our new office. Finally, there are both Quest & LabCorp in the building so labs will be much more convenient.

Since 1954 Harbor Pediatrics has had the honor and privilege of serving the community, and we continue to appreciate and treasure the opportunity to provide care for your children. We look forward to continuing our commitment and service to your families.
